Dear Parents,

As we have now had time to receive further advice and gain a better understanding of how restrictions are easing in each state, the AZYC had updated our Zionist Youth Movement Vaccination Guidelines to ensure the health and safety of all participants and leaders at youth movement activities and camps this Summer.

The AZYC is requiring all participants and leaders aged 16 or over to be fully vaccinated with an approved COVID-19 vaccine and to show proof of vaccination before attending their youth movement activity. We recommend that everyone wishing to get vaccinated seeks medical advice prior to doing so. Participants and leaders who are not vaccinated will need to provide evidence of medical exemption in the format required by the relevant State.

The AZYC continues to strongly encourage all eligible participants to be fully vaccinated before attending a youth movement activity.

Kind regards,

Eli Libson
AZYC Chairperson
